SHAPE THE FUTURE OF YOUR FLEET.

Leasing offers a variety of benefits.¹ For example, customers who prefer to operate newer equipment can lease instead of purchase and typically pay lower upfront costs and monthly payments.* Leasing is also a convenient option for customers who are not interested in owning equipment or having to sell or trade the equipment. Different lease types are available, all with fixed monthly payments throughout the lease period.

COMPARE EQUIPMENT FINANCE OPTIONS

Comparing loan and lease products can help ensure that your business benefits from the right financing solution.

CREDIT APPLICATION PROCESS

When it's time to add or replace equipment, consider obtaining a line of credit from Navistar Financial.¹

PRE-APPROVED LINE OF CREDIT

A pre-approved line of credit can help you be ready to expand when opportunity appears and have the ability to quickly fund urgent replacement of equipment. A line of credit from Navistar Financial allows you to preserve existing credit from other lenders for non-vehicle lending.
